HAITI CAMPAIGN BY CENTRE MADRASAH

February 5, 2010

Dear Parents,

Salaamun Alaikum.

We are all aware of the natural tragedy which has taken place in Haiti with the deaths of at least 200,000 people and still more unaccounted for. As Shia Muslims, we have to share in the grief of the Haitians and consider it our spiritual and social moral obligation to help them in any way we can.

It is in this vein that we encourage parents to talk with their children about the disaster that has taken place in Haiti, and discuss the importance of being able to help. You can encourage them to participate by donating whatever they can every week at madrasah, be it a quarter, a loonie, a toonie or larger bills, but, they should be part of it. Again, this project can only be successful with your participation and encouragement of your children.

We will continue to raise funds every Sunday for as long as we can, and would also like to challenge all the parents to make our madrasah a socially concerned institution.

Donations collected will be directed through ISIJ.
